**IT Dispenser coperchio trasparente**

Realizzato in acciaio inox AISI 304. Coperchio trasparente in lexan con lati corti raggiati ed incernierato con apertura verso l'alto. Divisori interni creano i vari scomparti. Predisposto per il fissaggio a parete. Altezza posteriore 210mm, anteriore 150mm.

**EN Dispenser with transparent lid**

Manufactured in AISI 304 stainless steel. Lexan transparent lid with rounded short sides and hinged with upper opening. Internal dividers create compartments. Prepared for wall mounting. Back height 210mm, 150mm front.

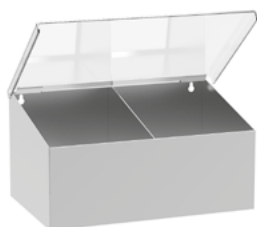

**DE Wandspender mit transparentem Deckel**

Hergestellt in Edelstahl AISI 304. Transparenter Lexan-Kunststoffdeckel mit abgerundeten kurzen Seiten und mit oberen Öffnung angelenkt. Innenbleche erstellen Fächer. Vorbereitet zur Wandmontage. Rückenhöhe 210 mm, 150 mm vorne.

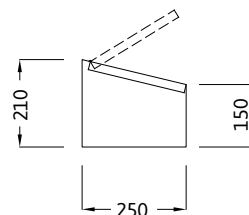

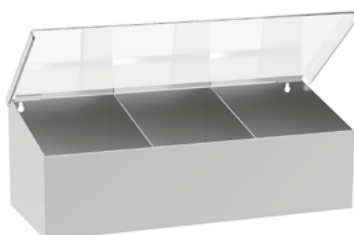

**FR Distributeur avec couvercle transparent**

Fabriqué en acier inox AISI 304. Couvercle en plastique Lexan transparent avec les côtés courts arrondis et avec ouverture supérieure sur charnières. Séparateurs internes créent des compartiments. Préparé pour un montage mural. Hauteur postérieure 210mm, 150mm antérieure.
